MCX joins hands with Amity Business School, Noida

Multi Commodity Exchange of India Limited (MCX) and Amity Business School, 'an institution of Amity University Uttar Pradesh, which has been accredited by NAAC, an autonomous body of UGC with the highest possible grade 'A', have signed a MoU for promoting quality education and nurturing financial skills in managing commodity price risks by using modern financial derivatives. P. K. Singhal, Joint Managing Director, MCX said, "This alliance will foster future generations of quality personnel, skilled in managing commodity price risks. The alliance will also bolster industry–academic bondage and thus provide a formidable workforce that caters to not only financial markets but to the modern commodity ecosystem as a whole."
