Circular no.: MCX/TECH/011/2016 January 15, 2016

MCX File Formats (version 6.5.10)

In terms of the provisions of the Rules, Bye-Laws and Business Rules of the Exchange, and in continuation to the circular MCX/TECH/037/2015 dated February 11, 2015, MCX/TECH/072/2015 dated March 11, 2015 & MCX/TECH/348/2015 dated December 10, 2015, Members of the Exchange are notified as under:

Members are requested to note that the Exchange is in the process of implementing new version of MCX File Formats (version 6.5.10). Members are advised to get necessary changes done in their back office software to incorporate all the changes as mentioned in the change history (MCX File Formats version 6.5.8, 6.5.9 and 6.5.10). Members who fail to get the changes incorporated in their back office software may face problems while using the files provided by the Exchange, when the new MCX File Formats are implemented.

As part of new File format 6.5.10, there are key changes in “CTCL file from Members”. To facilitate members, Exchange has setup test environment for members to test the changes pertaining to “CTCL file from Members”.

Test environment will be available till **Friday, January 22, 2016**.

Procedure for uploading/downloading CTCL files during testing is specified in **Annexure 1**.

Exchange shall separately inform about the implementation date of the new file format.

Members are requested to take note of the same.

Encl.: As above

Kindly contact Customer Service Team on 022 – 6649 4040 or send an email at customersupport@mcxindia.com for any clarification.

Annexure – 1

Steps for uploading/downloading CTCL files for testing

- Members are required to login with their Live SFTP User ID and password in the below mentioned test URL:
- **https://sftpdr.mcxindia.com**
- After logging in, members may upload the CTCL file in CTCL/DNLD/ folder as per New File format 6.5.10.
- System response will be available in CTCL/UPLD/ folder.
- **Members are informed that above mentioned set up is only for testing above file format. Hence, members are advised not to carry out any live related activity.**
