Circular No: MCX/TECH/449/2019 August 20, 2019

Mock Trading

In terms of the provisions of the Rules, Bye-Laws and Business Rules of the Exchange and as part of our continuous endeavour to enhance system performance, members of the Exchange are notified that the Exchange will be conducting mock trading session on **Saturday, August 24, 2019** to test the system performance.

Schedule for Mock Trading

Session	**Time**
Log-in period	**09:45 am – 09:55 am**
Special Session	**09:55 am – 09:59 am**
Mock trading timing	**10:00 am – 12:00 pm**
Client code modification session	**12:00 pm – 12:05 pm**

Members may please note that trades resulting from mock trading on **August 24, 2019** will not attract any obligation for pay-in and pay-outs.

Procedures for downloading files for participating in mock trading are specified in **Annexure-1.**

Members are requested to note that **MCX TWS 11.7.4.x** and **MCX Member Admin 11.7.4.x** is a compulsory download as part of this new version.

Members using CTCL facility are requested to actively participate in the mock trading session using CTCL software as per API version **17.5** dated February 13, 2018 (**non- FIX**) and **FIX API version 17.4** dated February 13, 2018.

Members should put in place adequate mechanism to restore their trading systems to production state at the end of mock session so as to ensure integrity of the trading system. After the mock trading session, members are requested to log-in into live environment from **1:30 pm to 2:00 pm on August, 24, 2019** to check the connectivity in order to avoid any log-in problem on the next trading day in the live environment.

eXchange facility will not be available during mock trading and same would be available after live re-login session.

Members are requested to take note of the same.

Dr. Pareshnath Paul
Chief Information Officer

Encl: As above
