

Circular no.: MCX/TECH/439/2011

December 5, 2011

---

### **Upgradation of Leased Line Network**

---

In terms of provisions of the Rules, Bye-Laws and Business Rules of the Exchange and in continuation to circular no. MCX/TECH/235/2008 July 08, 2008, MCX/TECH/342/2008 October 25, 2008, MCX/TECH/141/2009 dated March 26, 2009, MCX/TECH/302/2009 dated July 23, 2009 and MCX/TECH/098/2010 dated March 25, 2010 the Members of the Exchange are notified as under:

Members are hereby informed that the bandwidth requirement for trading has increased substantially and hence Exchange will discontinue commissioning of 64 Kbps and 128 Kbps bandwidth leased lines from February 2012. Members who apply for leased lines now onwards should apply for minimum of 256 Kbps bandwidth.

Members may please note that, Exchange will be initiating the upgradation process of the existing 64 Kbps and 128 Kbps (point to point and MPLS leased lines) with immediate effect to ensure that these leased lines are upgraded by the respective service provider latest by end of January 2012. Applicable upgradation charges will be debited to member's settlement account as and when bills / demand note for the same are received from the respective service provider.

P.P. Kaladharan  
Chief Technology Officer
