MCX and PwC release year book

Multi Commodity Exchange, and PwC, the network of member firms of PricewaterhouseCoopers International, released the second edition of flagship joint publication, Commodity Insights Yearbook 2010, here on Thursday. This edition focuses on 'Global Products, Global Practices' in keeping with MCX's thrust areas. The yearbook, which aims to enrich the commodity market ecosystem and give its readers rare insights into it, made its maiden appearance last year.
