MCX bags CSR award

MCX has been conferred with the Ficci socio economic development foundation's award for setting up Gramin Suvidha Kendra (GSK) which provide information to farmers. MCX, which is running GSKs in collaboration with India Post, provides spot and futures prices information to farmers through rural post offices. Farmers are also get quality seeds, fertilisers and pesticides through 22 GSKs spread across five states and 2,219 villages.
