2. INTRODUCTION OF THE COMMON ONLINE DISPUTE RESOLUTION PORTAL

2.1 The Market Infrastructure Institutions (MIIs), in consultation with their empaneled ODR Institutions, have established and developed a common Online Dispute Resolution Portal ('SMARTODR Portal"). The link for the Online Dispute Resolution Portal is https://smartodr.in/. The MIIs jointly have developed and operationalized the ODR Platform.

2.2 It is clarified that Commodity Exchanges are initially excluded from the round robin system and are not required to incur any costs for development and maintenance of the ODR Portal during the period of such exclusion.

2.3 Currently, the Exchange has empaneled M/s. Lex Carta Private Limited (Brand Name: JustAct) as ODR Institution to undertake time bound online conciliation and/or online arbitration (in accordance with the Arbitration and Conciliation Act, 1996 and any other applicable Laws) that harness online/audio-video technologies and has duly qualified conciliators and arbitrators. The norms for empanelment of ODR Institutions are specified in **Schedule C** as also the continuing obligations of the ODR Institutions. The ODR institution empaneled by the Exchange has due connectivity with the SMART ODR Portal as is required for undertaking the role and activities envisaged in this circular. Such ODR Portal shall establish due connectivity with the SEBI SCORES portal / SEBI Intermediary portal.

2.4 All the MIIs shall participate on the ODR Portal and provide investors/clients and listed companies (including their registrar and share transfer agents) and the specified intermediaries / regulated entities in the securities market access to the ODR Portal for resolution of disputes between an investor/client and listed companies (including their registrar and share transfer agents) and the specified intermediaries / regulated entities in the securities market, through time bound online conciliation and/or online arbitration.

2.5 All listed companies / specified intermediaries / regulated entities in the securities market (collectively referred to as "Market Participant/s") shall enroll on the SMARTODR Portal within the timelines as specified at paragraphs 46 and 47 of the circular and shall be deemed to have been enrolled on the ODR Portal at the end such specified timeline. The enrolment process shall also include executing electronic terms/agreements with MIIs and the ODR Institutions, which shall be deemed to be executed at the end such specified timeline. Facility to enroll Market Participants into the ODR Portal by utilising the credentials used for SEBI SCORES portal / SEBI Intermediary portal may

Entities that obtain registration from the Board (i.e. SEBI) as an intermediary or issuers that are getting their securities listed on or after the date of implementation of this circular, shall enroll in the ODR Portal immediately upon grant of registration or listing, as the case may be.

2.6 All Market Participants and MIIs are advised to display a link to the ODR Portal on the home page of their websites and mobile apps.

3. INITIATION OF THE DISPUTE RESOLUTION PROCESS

3.1 An investor/client shall first take up his/her/their grievance with the Market Participant by lodging a complaint directly with the concerned Market Participant. If the grievance is not redressed satisfactorily, the investor/client may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal in accordance with the process laid out therein. After exhausting these options for resolution of the grievance, if the investor/client is still not satisfied with the outcome, he/she/they can initiate dispute resolution through the ODR Portal.

3.2 The complaint/dispute registered on SCORES Portal shall be dealt with in /accordance with the process laid down in the SEBI circular No. SEBI/HO/OIAE/IGRDCIR/P/2023/156 dated September 20, 2023, as may be modified from time to time. The guidelines for this Circular are applicable w.e.f. April 01, 2024.

3.3 It may be noted that in case the investor/client has filed the dispute on SMART ODR Portal, while the complaint is pending on SCORES, then the complaint shall be treated as disposed on SCORES.

3.4 Alternatively, the investor/client can initiate dispute resolution through the ODR Portal if the grievance lodged with the concerned Market Participant was not satisfactorily resolved or at any stage of the subsequent escalations mentioned in the paragraph 3.1 above (prior to or at the end of such escalation/s). The concerned Market Participant may also initiate dispute resolution through the ODR Portal after having given due notice of at least 15 calendar days to the investor/client for resolution of the dispute which has not been satisfactorily resolved between them.

Public

3.5 The dispute resolution through the SMART ODR Portal can be initiated when the complaint/dispute is not under consideration in terms of the paragraph 3.1 above or SCORES guidelines as applicable or not pending before any arbitral process, court, tribunal or consumer forum or are non-arbitrable in terms of Indian law (including when moratorium under the Insolvency and Bankruptcy Code is in operation due to the insolvency process or if liquidation or winding up process has been commenced against the Market Participant) or is against the Government of India / President of India or a State Government / Governor of a State.

3.6 The dispute resolution through the SMART ODR Portal can be initiated within the applicable law of limitation (reckoned from the date when the issue arose/occurred that has resulted in the complaint/dispute or date of the last transaction or the date of disputed transaction, whichever is later).

4. ODR PORTAL AND ALLOCATION SYSTEM

4.1 The ODR Portal has all necessary features and facilities to, inter alia, enroll the investor/client as well as Market Participant, and to file the complaint/dispute, to upload any documents or papers pertaining thereto. It also has facility to provide status updates on the complaint/dispute as obtained from the ODR Institutions. The features and facilities shall be periodically reviewed and upgraded by the MIIs as well as new features and facilities added from time to time as required by the Board.

4.2 A complaint/dispute initiated through the ODR Portal will be referred to an ODR Institution empaneled by a MII and the allocation system on a marketwide basis will be a round-robin system to govern the allocation of each such dispute among all such empaneled ODR Institution/s *subject that* for an initial period (as specified by the Board):

Public

Institution/s empaneled by the relevant Stock Exchange*, and disputes arising with a specific depository participant, shall be referred to the ODR institution/s empaneled by the relevant Depository. If the MII has empaneled more than one ODR Institution, then at such level as well, a round robin system will govern allocation of references among them.

* *For instances where the dispute pertains to an intermediary linked to more than one Stock Exchange/ Depository (or a company listed on more than Stock Exchange) then the Stock Exchange/ Depository with which the complaint was escalated becomes the relevant Stock Exchange/ Depository, otherwise it shall be subject to round robin.*

4.2.2 Stock Exchanges operating only commodities segment, the ODR Institution/s empaneled by such Stock Exchange is/are excluded from the market-wide round robin system. Other conditions in (a) above will continue to apply to such Stock Exchanges and ODR Institution/s.

4.2.3 Further, references to ODR Institutions shall be made after a review of such complaint/dispute by the relevant MII with the aim of amicable resolution and which review shall be concluded within 21 calendar days (or such other period that the Board may specify).

5. CONCILIATION

5.1 The ODR Institution that receives the reference of the complaint/dispute shall appoint a sole independent and neutral conciliator from its panel of conciliators. Public

5.3 If the process of conciliation is successful, the same shall be concluded by a duly executed settlement agreement between the disputing parties. Such an agreement shall be executed and stamped through an online mode, as permissible in law. When such agreement requires the Market Participant to pay the admissible claim value to the investor/client, the MII shall monitor the due payment/adherence to the terms of the settlement agreement until due receipt by the investor/client and/or performance of the required terms of settlement agreement.

5.4 In case the matter is not resolved through the conciliation process within the 21 calendar days (or within the extended period of 10 calendar days, extended by consent of the disputing parties):

Such determination should also be made in all claims/complaints/disputes where the monetary value has not been ascribed by the person initiating the dispute. The nature of determination made by the conciliator is only to provide an admissible claim value of the complaint / dispute for purposes of appropriate slab for computation of fees being applied for online arbitration. Subject to the forgoing, the investor / client, the market participant and the arbitrator/s would not be bound by such determination for the making or defending or deciding the claim / complaint / dispute, as the case may be.

5.4.2 An investor/client may pursue online arbitration (which will be administered by the ODR Institution, which also facilitated the conduct of conciliation) on or after the conclusion of a conciliation process when the matter has not been resolved through such process, subject to payment of fees as applicable for online arbitration. The Market Participant against whom the investor/client pursues the online arbitration shall participate in the arbitration process. Accordingly, within 10 days of the initiation of the online arbitration by the investor/client, the Market Participant shall make the deposit of 100% of the admissible claim value with the relevant MII and make the payment of the fees as applicable for online arbitration. Non-adherence of the foregoing by the Market Participant may result in action against the Market Participant by MIIs and/or the Board.

Public

5.4.3 In case the Market Participant wishes to pursue online arbitration (which will be administered by the ODR Institution which facilitated the conduct of conciliation), it shall intimate the ODR Institution within 10 days of the conclusion of the conciliation process of its intent to do so and within further 5 days of this intimation, shall deposit 100% of the admissible claim value with the relevant MII and make the payment of fees as applicable for online arbitration for initiating the online arbitration. If the arbitration proceeding is decided against the investor/client, subject to the terms of the arbitral award, such investor/client should return the released amounts. If the investor/client fails to return the amount released, then the investor/client (based on PAN of the investor/client) shall not be allowed to trade on any of the Stock Exchanges or participate in the Indian Securities Market till such time the investor/client returns the amount to the Market Participant. Further, the securities lying in the demat account(s) or the mutual fund holdings of the investor/client shall be frozen till such time as the investor/client returns the amount to the Market Participant. If security had been obtained, the same could be enforced/realised and adjusted towards the amount required to be returned.
