P K SINGHAL

Joint Managing Director, MCX

"Sebi, with the powers to raid, search and take penal action, can discipline the wrongdoers and, thus, control the dabbatrade, in addition to improving the overall integrity of this market."

SAMIR SHAH

Managing Director & CEO, NCDEX

"The merger is a game-changing moment for both the commodity and financial markets. The alignment will ultimately provide a superior and safer experience to investors."

JAYANT MANGLIK

President (retail distribution), Religare Securities

"This is the high time when market participants expect big from the regulator and Sebi is capable for delivering that."

NAVEEN MATHUR

Associate Director (commodities & currencies), Angel Broking

"The launch of new products and entry of new participants would deepen the market, which will help grow trust and confidence in commodity derivatives."
