Circular No: MCX/TECH/667/2026 Nov 26, 2026

Product Movement between Partition

Members may note that the Exchange will move product from one partition to another partition to optimize system performance and manage data streams.

The detail of the product symbol to be shifted from their existing partitions are provided below:

- **OFNATGASMINI**
- **FUSILVERMIC**
- **FUGOLD**

Members are advised to make necessary changes at their end. Such product movement details will be reflected in the product master file (Mcxscrip.bcp, also refer to MCX Reference Data Files (Masters) Version 1.2)

The said changes will be made live effective from November 27, 2026.

Stream changes will be reflected in Stream Master kept on SFTP https://sftp.mcxindia.com/ path: /Common/Contract Master. There are no changes in MDI and ETI API.

Members are requested to take note of the same.
