MCX chief says FMC, Sebi merger was the right thing to do

In an interview with CNBC-TV18, Mrugank Paranjape, MD & CEO, MCX, says that Donald Trump's win in the US presidential election took markets by surprise. But, now it has factored in the news and the markets did rebound.

MCX chief says FMC, Sebi merger was the right thing to do

In an interview with CNBC-TV18, Mrugank Paranjape, MD & CEO, MCX, says that Donald Trump 's win in the US presidential election took markets by surprise. But, now it has factored in the news and the markets did rebound.

He also said the merger of Forward Markets Commission (FMC) with Securities and Exchange Board of India (SEBI) was the right thing to do. He further said recommendation of commodity derivatives advisory committee (CDAC) will get on the fast track.
