PRESS RELEASE

Caution for Investors

Mumbai, August 25, 2023: It has been brought to the notice of the Exchange that an entity named, MCX COMMODITIES TRADING CO., is operating from #15, Arekempanahalli, Jayanagar, 1st Block, Bangalore-560011, Karnataka, collecting investments from public through some scheme and offering fixed return on the same. The entity is misusing the Multi Commodity Exchange of India Ltd. (MCX) Brand name and logo.

It may be noted that MCX is in no way connected to any such kind of schemes offering fixed return. A police complaint is being lodged in this regard. It may be further noted that MCX COMMODITIES TRADING CO., is neither a member of the Exchange nor an Authorized Person of any of the Members of the Exchange.

It may be noted that a Press Release regarding the above-mentioned entity was also issued by the Exchange on December 20, 2022, wherein it was mentioned that MCX COMMODITIES TRADING CO., was collecting investments from public through some scheme and offering fixed return on the same.

Investors are cautioned and advised not to subscribe to any scheme / product offered by the aforementioned entity or any other entity / person, offering assured / guaranteed return, in any form, in Commodity Derivatives Market, as the same is prohibited by law.

Participation in such prohibited schemes / product is at investors' own risk, cost and consequences as such schemes / products are neither approved nor endorsed by the Exchange.

The investors may note that for any kind of disputes relating to such prohibited schemes, none of the following recourses will be available to the investors:

1. Benefit of investor protection under Exchange's Jurisdiction
2. Exchange dispute resolution mechanism
3. Investor grievance redressal mechanism administered by Exchange.

The details of our registered trading members and authorized persons of the registered trading members are available on our website, www.mcxindia.com.

The above is issued in the interest of the investors at large.

About MCX:

Having commenced operations on November 10, 2003, Multi Commodity Exchange of India Limited (MCX) is India's first listed, national-level, electronic exchange and India's leading commodity derivatives exchange with a market share of about 96.7 per cent in terms of the value of commodity futures contracts traded in financial year 2022-23 (April 2022 – March 2023). MCX offers the benefits of fair price discovery and price risk management to the Indian commodity market ecosystem. Various commodities across segments are traded on the Exchange platform. These include bullion, energy, metals and agri commodities. The exchange has forged strategic alliances with various international exchanges, as well as Indian and international trade associations. For more information, about MCX and its products visit www.mcxindia.com.
