Press Release

Caution for Investors

Mumbai, January 09, 2023: It has been brought to the notice of the Exchange that an entity named, Shareking Commodity, operating through mobile numbers 8050313363, 7089795109 and 7983929990, is providing illegal trading platform (Dabba Trading) through a website **https://desktop.theindicator.in/#/** by using Android and IOS desktop applications and misusing the Multi Commodity Exchange of India Ltd. (MCX) Brand name.

It may be noted that MCX is in no way connected to such illegal trading platforms. A police complaint is being lodged in this regard. It may be further noted that Shareking Commodity is neither a Member nor an Authorised Person of any of the Members of the Exchange.

In terms of Sections 23(1) of Securities Contracts (Regulation) Act, 1956 (SCRA), any entity / person who contravenes sections 13,16,17 or 19 of the SCRA shall be prosecuted and on conviction, he shall be punishable with imprisonment for a term which may extend to ten years or with the fine up to twenty five crores or with both. As per Section 25 of SCRA, offences punishable under section 23 are cognizable offences within the meaning of Code of Criminal Procedure, 1973 and as such can be investigated by state law enforcement authorities also. In addition to violation/s of the securities laws, dabba trading also falls within the purview of Section 406, 420 and Section 120-B of Indian Penal Code, 1870.

Investors are cautioned and advised NOT to trade on such illegal trading platforms in Commodity Derivatives Market as the same is prohibited by law.

Participation on such illegal platforms is at the investor's own risk, cost and consequences as such illegal trading platforms are not regulated by SEBI, the regulatory authority.

The details of our registered trading members and authorized persons of the registered trading members are available on our website, www.mcxindia.com.

The above is issued in the interest of the investors at large.

About MCX:

Having commenced operations on November 10, 2003, Multi Commodity Exchange of India Limited (MCX) is India's first listed, national-level, electronic exchange and India's leading commodity derivatives exchange with a market share of about 96.8 per cent in terms of the value of commodity futures contracts traded in financial year 2022-23 (Apr - Sep 2022). MCX offers the benefits of fair price discovery and price risk management to the Indian commodity market ecosystem. Various commodities across segments are traded on the Exchange platform. These include bullion, energy, metals and agri commodities. The exchange has forged strategic alliances with various international exchanges, as well as Indian and international trade associations.
