The details of our registered trading members and authorized persons of the registered trading members are available on our website: www.mcxindia.com.

The above is issued in the interest of the investors at large.

About MCX:

Having commenced operations on November 10, 2003, Multi Commodity Exchange of India Limited (MCX) is India's first listed, national-level, electronic exchange, and India's leading commodity derivatives exchange with a market share of about 96.3 per cent in terms of the value of commodity futures contracts traded in financial year 2023-24 (April 2023 – June 2023). MCX offers the benefits of fair price discovery and price risk management to the Indian commodity market ecosystem. Various commodities across segments are traded on the Exchange platform. These include bullion, energy, metals and agri commodities. The exchange has forged strategic alliances with various international exchanges, as well as Indian and international trade associations. For more information, about MCX and its products visit: www.mcxindia.com.
