MCX successfully conducts Live Trading session from Disaster Recovery (DR) site

Mumbai, April 1, 2024: Multi Commodity Exchange of India Ltd. (MCX), India's largest Exchange in the Commodity Derivatives Market segment, has successfully conducted live trading session from Disaster Recovery (DR) site during March 25, 2024 to March 28, 2024. Incidentally, this is conducted for the first time since implementation of new Commodity derivatives platform in October 2023.

About MCX:

Having commenced operations on November 10, 2003, Multi Commodity Exchange of India Limited (MCX) is India's first listed, national-level, electronic exchange, and India's leading commodity derivatives exchange with a market share of around 95.6 per cent in terms of the value of commodity futures contracts traded in financial year 2023-24 (April 2023 – December 2023). MCX offers the benefits of fair price discovery and price risk management to the Indian commodity market ecosystem. Various commodities across segments are traded on the Exchange platform. These include bullion, energy, metals and agri commodities. The exchange has forged strategic alliances with various international exchanges, as well as Indian and international trade associations.
