Press Release

Caution for Investors

Mumbai, December 29, 2022: It has been brought to the Notice of the Multi Commodity Exchange of India Limited (Exchange) that below mentioned entities / website / apps are illegally procuring and disseminating the Exchange's Data Feed by misusing the name of MCX, without any legitimate approval and agreement with the Exchange or any of its authorized vendors for redistribution.

Details of the entities
www.mcxdata.in
www.mcxliverate.org
www.24rates.net
www.mcxpricewala.com
Live Market (App in Play Store)

Investors and all market participants are cautioned and advised not to subscribe to any such Data Feed product offered by any entity/ persons connected/related with these websites / apps in any form, in Commodity Derivatives Market, as the same would be illegal. The entities stealing and selling such data are liable for punishment under various laws including section 66 and 66B of the Information Technology Act, 2000 and section 420 of the Indian Penal Code. Subscribing to such data feed (and any other commodity products / schemes at these sites) is at investors' own risk, cost and legal consequences.

The details of our registered data feed vendors are available on official website, www.mcxindia.com under the section Technology. The web link for the details is given below for ready reference: https://www.mcxindia.com/technology/datafeed/data-feed-product-and-charges.

The above communication is issued in the interest of the investors and market participants at large.

About MCX:

Having commenced operations on November 10, 2003, Multi Commodity Exchange of India Limited (MCX) is India's first listed, national-level, electronic exchange and India's leading commodity derivatives exchange with a market share of about 96.8 per cent in terms of the value of commodity futures contracts traded in financial year 2022-23 (Apr - Sep 2022). MCX offers the benefits of fair price discovery and price risk management to the Indian commodity market ecosystem. Various commodities across segments are traded on the Exchange platform. These include bullion, energy, metals and agri commodities. The exchange has forged strategic alliances with various international exchanges, as well as Indian and international trade associations. For more information, about MCX and its products visit www.mcxindia.com
