Press Release

Caution for Investors

Mumbai, January 19, 2023: It has been brought to the notice of the Exchange that an entity named 'GOLDMASTER' or "Gold-Masters" is running websites www.mcx-master-gold.com & www.mcx-mastergold.com, offering various investment schemes with assured returns and are misusing the Multi Commodity Exchange of India (MCX)'s name and trademark.

It may be noted that a Press Release was also issued by the Exchange on July 15, 2022 regarding the above mentioned entity, which was operating through a website www.mcxmastergold.com.

The Exchange issues caution against such investment deals and schemes that fraudulently invoke MCX's name or claim to be affiliated with it.

MCX further clarifies that:

1. MCX does not have any kind of association with the DBS Bank in Singapore, regarding any wealth management activities, nor does the Exchange have any relationship, whatsoever, with 'GOLDMASTER' and "Gold-Masters".

2. 'GOLDMASTER' and "Gold-Masters" are neither registered as Member of the Exchange nor 'Authorized Person' of any registered member of the Exchange.

Investors are cautioned and advised not to subscribe to any scheme/ product by any entities offering indicative/ assured/ guaranteed returns, which are prohibited by law.

Participation on such illegal platforms is at the investor's own risk, cost and consequences as such illegal trading platforms are not regulated by SEBI, the regulatory authority.

The details of our registered trading members and authorized persons of the registered trading members are available on our website, www.mcxindia.com.

The above is issued in the interest of the investors at large.

About MCX:

Having commenced operations on November 10, 2003, Multi Commodity Exchange of India Limited (MCX) is India's first listed, national-level, electronic exchange and India's leading commodity derivatives exchange with a market share of about 96.8 per cent in terms of the value of commodity futures contracts traded in financial year 2022-23 (Apr - Dec 2022). MCX offers the benefits of fair price discovery and price risk management to the Indian commodity market ecosystem. Various commodities across segments are traded on the Exchange platform. These include bullion, energy, metals and agri commodities. The exchange has forged strategic alliances with various international exchanges, as well as Indian and international trade associations. For more information, about MCX and its products visit www.mcxindia.com
