PRESS RELEASE

MCX organizes seminar on research studies in Commodity eco-system.

Featuring market scenario and assessing possible solutions.

Mumbai, June 20, 2023: Multi Commodity Exchange of India Ltd. (MCX), as part of an educational and research initiative under MCX Investor Services Fund, in association with Commodity Participants Association of India (CPAI) organized today a research seminar in Mumbai, "*Research studies in the Commodity Ecosystem – disseminating findings*", wherein the researchers from Acies Consulting and IIM Lucknow, presented the findings of their research studies on following themes:

1. Evaluating Risk Management Tools in Indian Commodity Derivatives Market (by Acies Consulting)
2. Regulatory Landscape in Equity Derivatives versus Commodity Derivatives Markets in India (by IIM Lucknow)

The Acies' study provides emphasis on the risk management tools being used in the Exchange traded derivatives market including margins, price limits, collaterals, settlement guarantee fund, etc. and their efficiency. On the other hand, the study by IIM Lucknow focuses on regulatory landscape in equity derivatives versus commodity derivatives markets in India at microstructure level covering net worth, institutional participation, risk management, etc.

The studies will be made available on the MCX website under research studies shortly.

About MCX:
Having commenced operations on November 10, 2003, Multi Commodity Exchange of India Limited (MCX) is India's first listed electronic exchange with pan-Indian presence.
